Dear Russell,

I called on Gil on Saturday & had a chat. He had talked Dr. Zona and it seemed as though he'd be glad to work with you, but said that if it were to be a large exhibition it would have to be at a later date, which doesn't seem to ~~matter~~ matter to me, but I can quite see that, as Gil said, that one needs more time for an illustrated catalogue. I also gather that Dr. Zona is hard to reach.

I enclose a list of possible paintings plus lists of series to choose from.

I hope all goes well with you & Dr. Zona. It would be thrilling for me if the large show were in the works!

Best wishes

Affectionately

Sylvia
